The Mark, New York

Rank: 2

Rates: From \$495

Opened: August 2009

The owners of this legendary fixture of Manhattan's Upper East Side gave it a \$150 million makeover last year. The early-20th century façade remains the same, but new additions include modern, re-imagined interiors by designer Jacques Grange, a restaurant from Jean Georges Vongerichten that has become a celebrity-sighting hotspot; and touches like mirrored flat-screen TVs in the bathroom.
