Most Fashionable Hotel Bars

By Sarah Bray

Mark Bar at The Mark Hotel

Where do Mario Testino, Cara Delevigne, Sienna Miller, and Carine Roitfeld pre-party for New York City's most-exclusive fashion event? This year, before The Costume Institute Gala, the industry's elite toasted at the **Jacques Grange**-designed Mark Bar at The Mark Hotel before heading seven blocks north to the Metropolitan Museum of Art. During the day, this hotel bar doubles as office space for supermodels Natalia Vodianova and Karlie Kloss, who both love to take their business meetings over coffee.
