Now You Can Shop At Bergdorf's 24/7

By Brooke Porter

We all know New York is the city that never sleeps—and now that means the director of personal shopping at Bergdorf Goodman, thanks to a new collaboration with **The Mark Hotel**. Up at 4 a.m. with the realization that you left the outfit you have to wear in 7 hours at home? Have no fear—a new ensemble is just a phone call away. Complimentary messenger services are another benefit of this 24/7 service.
