The Mark New York USA

The Mark is housed, as it has always been, in the beautiful, 1927 landmark building at the corner of 77th Street and Madison Avenue. But inside, this luxury hotel has been completely reimagined, and given a new life and identity for the 21st century by Jacques Grange. The furnishings for the guest rooms and suites have all been designed or selected by Mr. Grange, in pale soothing tones that evoke the height of Parisian luxury in the 1930. The Mark Restaurant by Jean-Georges features a masterful design by Jacques Grange and an innovative restaurant menu specially crafted by NYC's pre-eminent chef, Jean-Georges Vongerichten.
